

STRENGTHENING THE LABOR INSPECTION PROCEDURES

The Costa Rican congress is reviewing and discussing Bill 19130, this bill is related to the strengthening of the labor inspections procedures. This bill amends the procedure that establishes the infractions related to labor laws; it also broadens the powers of the inspectors of the Ministry of Labor and Social Security, as well as allowing the imposition of immediate sanctions on employers.

For this, it is necessary to obtain more information on how to handle risks, prepare for these regulatory changes beforehand and avoid possible penalties doing an "inspection test", which is to determine:

- The weaknesses that could arise from an inspection.
- Prevent breaches-sanctions.
- Gives our team the opportunity to make recommendations on policies and best practices.

For more details of how do an inspection test, do not hesitate to contact us.
