

## **EXTENSION OF THE PERIOD OF TAX BENEFITS FOR ELECTRIC ENERGY GENERATION PROJECTS FROM RENEWABLE SOURCES**

On December 5<sup>th</sup>, 2017, the National Assembly approved law no. 967 amendment to law no. 532 "Law for the Promotion of Electric Energy Generation from Renewable Sources", published in the Official Gazette no. 234 on December 7<sup>th</sup>, 2017.

Previously, the law no. 532 established that investors who promoted new energy generation projects from renewable sources would enjoy the tax benefits included in the law until January 1<sup>st</sup>, 2018; nevertheless, to maintain the interest in projects about renewable energy, the law no. 967 provides that the new energy generation projects from renewable sources and the new expansions to the installed capacity of projects operating with renewable sources will enjoy tax benefits of the law no. 532 until January 1<sup>st</sup>, 2023.
